

Blue Card – Skilled Installer – General &/or VRS

The installer card is for skilled installers employed in General, (including Environmental Noise Barriers) and/or VRS Installation. It allows the holder to install General and/or VRS whilst working as part of a General, and/or VRS installation gang.

To get this card you need to:

Lantra L2 Diploma in Work Based Fencing – Choose either the General Fencing Pathway or the VRS Pathway or BOTH Pathways* – For details click [here](#)

VRS Route ONLY successfully complete the Lantra NHSS 10B VRS Foundation and VRS Installer Courses and tests Foundation [here](#) Installer [here](#)

Successfully complete the Lantra Awards Health, Safety and Environmental Awareness: Fencing course AHAS003. For details click [here](#)

Or hold an accepted equivalent. For details of equivalents see ** below

Pass the Operative CITB Health Safety and Environment “Touch Screen” Test)

To book your CITB Touch Screen Test click [here](#)

VRS Route ONLY
Have current and valid training for each VRS system type you wish to install (for systems you are not qualified to install, you can assist someone who is qualified). Contact the Training Provider who offers the VRS System Training

When you have completed the above download an application form for your card [here](#)

L2 General your title on the **card** Skilled Installer **chip** L2 Work-based Fencing – General Fencing

L2 VRS your title on the **card** Skilled Installer - **chip** L2 Work-based Fencing – VRS Fencing + VRS System Types

Where you have completed both pathways and appropriate VRS training the card will state both as above.

Initial applications must include:

Letter confirming that the applicant has passed the CITB Operative Health Safety and Environment “Touch Screen” Test (within two years of initial application)

Copy of certificate for Lantra Awards Level 2 Diploma in Work-based Fencing Gen and/or VRS

Copy of certificate for the Lantra Awards Health, Safety and Environmental Awareness: Fencing course AHAS003 (within two years of initial application) or equivalent**.

VRS Only Copies of the NHSS 10B VRS Foundation and VRS Installer Course certificates (within two years prior to initial application)

VRS Only Copies of current and valid training certificates for each proprietary system type you install
